

Summer Reading Club Volunteer

2018 Teen Volunteer Procedure

- 1) **New Applicants** must submit a **short** essay of up to **2 pages**, either handwritten or typed, about your library story. (For example: Why is the Library important to you? How has a library book changed your life? What is your most memorable experience at the Library?) The essays will determine who will be selected to become a volunteer, so put some of your creative energy into it! Turn in your essays to the **Children's Information Desk** by **May 15**.
- 2) **Returning Teen Volunteers** do not need to write another essay but must **complete a new emergency notification form** by **May 15**.
- 3) Fill out an **emergency notification** form and turn it in with your essay. (Notification form is on the back of this application and on the website.) All teens must have parent/guardian approval.
- 4) **Teen Volunteers must be available to work a minimum of 12 hours from June 1-August 15.**
