The Library is closed to the public, except for those with appointments to use a computer.

Computer appointments can be made:
- No more than 1 day in advance
- For 1 adult
- By calling 817-952-2350 during operating hours
- For computer access only. Browsing materials will not be allowed.
- Sessions are 1.5 hrs maximum

FYI
- To make an appointment for computer use, you need to have either your Bedford Library card or a valid, government-issued photo ID.
- You are strongly encouraged to wear a mask during your computer appointment. We can provide one.
- Your computer session will end at the scheduled End Time of your time slot even if you've had less than 1.5 hours to use the computer.
- At this time, staff cannot provide computer assistance due to social distancing guidelines & reduced staff capacity.
